Store and ::claim

The **Bethlehem Store** is where you buy boxes, items and ranks with real money. You pay on the website, then type `::claim` in game to get what you bought. Every $1 you spend also gives you 1 **Donation Point**.

On this page: How to buy · What `::claim` does · What every $1 counts for · Weekly rewards (`::DonationExtra`) · Store deals right now · Good to know

How to buy

1. **Open the store**Type `::donate` or `::store` in game, or go to **bethlehem317.com/store**.
2. **Pick and pay**Use your exact in-game name, because `::claim` finds your purchase by that name.
3. **Type `::claim`**Log in and type it. Your items arrive at once.

What `::claim` does

- Your items go to your inventory. If it's full, the rest go to your bank, and the game says *"Some claimed items went to your bank due to full inventory!"*
- Your purchase is added to your Donation Points, your **VIP** total and your weekly total (see the table below).
- The weekly rewards screen opens. Any weekly reward you've reached is given to you then.
- The whole server sees what you bought in chat.

Wait 20 seconds between tries. If the game says *"API Services are currently offline. Please check back shortly."*, the store's system is down: try again later.

What every $1 counts for

Weekly rewards (`::DonationExtra`)

Store deals right now

The store changes often. These were on it on 11 Nov 2026:

- **Glove/Boots Box** ($30): comes with a free **Extreme donator scroll** (a $60 rank).
- **$100 Bundle** ($100): comes with a **Sponsor scroll** (a $300 rank).
- **Donator Box** ($3).
- **DIVINE SCROLL II** ($999).

The store doesn't sell the other rank scrolls on their own. Buy anything and spend the Donation Points instead: **Extreme donator scroll** 20 points, **Sponsor scroll** 150, **Executive scroll** 500. All rank prices: **Donator's Perks**.

Good to know

- `::claim2` is the old claim command. Purchases claimed with it don't count for Donation Points, VIP or the weekly rewards. Use `::claim`.
- The **Donation Point**, **$10 Scroll**, **$25 Scroll** and **$50 Scroll** items add Donation Points when you click them, but they don't count for VIP or the weekly rewards.
- Type `::checkvip` to see your VIP total.
